Hunan City College general college entrance examination online admission file reading notice

The online admission staff mainly check the following information when reviewing the files:

一、Registration information:

1. Check when and where the candidate has received any rewards or punishments;

2. Opinion on moral and ideological assessment.

二、Results and preferences: quick lookup.

三、Physical examination information:

1. Past medical history;

2. Check whether there are any abnormal conditions;

3. Check the opinion of the hospital or checkpoint (whether it meets the requirements of the major to be admitted, and height, weight and other factors shall not be used as restrictions on admission).

4. If any abnormal situation is found during the review of the file, please register it in the Review Opinion Form and sign it.
