

Attachment B-3: Questionnaire Survey on Workload of Water Supply and Drainage Major Students

Dear students:

Hello!

Thank you for participating in this survey. This questionnaire aims to understand the opinions and suggestions of students majoring in Water Supply and Drainage Science and Engineering regarding their study workload so that the college can use it as a reference for improving the course workload arrangement. Please answer truthfully and seriously. The questionnaire is anonymous and will be kept strictly confidential; the results will only be used for the college's analysis and research, so please feel free to respond. We sincerely appreciate your support and cooperation!

1. Student Course Workload Learning Situation

J1. Weekly course schedule arrangement.

Very reasonable

2. Rational

3. Basically reasonable

4. Unreasonable

J2. The workload requirements for course study each semester.

Very reasonable

2. Rational

3. Basically reasonable

4. Unreasonable
